VE has a role in ensuring that clubs are formed correctly and with the consent of those involved.
- iv. Where a democratic/membership-based club seeks to become proprietorial, as for example where a commercial concern wishes to run a club, then the Association (through its appropriate officers) shall ensure that the club membership has voted thereon and that the provisions of that club's constitution have been observed.
- v. No club, individual or group, whether membership based or proprietorial, has a right to a particular place in VE's National League, entry for which is requested each season.
- vi. Any alterations to a club's Constitution are to be advised to the VE National Office on behalf of the Competitions Commission within 14 days of such alteration and amendment.
- vii. Any Club specific matters will be addressed to the Club Secretary / Chairperson, as detailed on the Club's Affiliation form for the season.

Regulation A 10. The Competitions Commission has the full authority to deal with

disputes involving clubs, players, administrators and non-qualified persons acting in the capacity of coach or referee, and to sanction clubs and their members, both playing and non playing, when deemed to be in contravention of any of the NVL regulations or relevant codes of conduct.

Regulation A 11. Match Venues

- i. Matches played in Men's Super 8s, Women's Super 8s and Quarter-Finals and Semi-Finals of all Cup Competitions shall be played at venues approved by the Competitions Commission. Clubs competing must obtain such approval from the Commission where required.

Section B. Organisation of fixtures

Regulation B 1. Pre Season Fixture Arrangements

Teams will be provided with the draft fixtures well in advance. At that time teams may enter mutual discussions and request agreed amendments to the proposed fixtures. Any such proposals must be agreed in writing by both teams, and confirm the new date, time and venue. Any such changes will need to be approved by the Competition Commission, who shall seek to ensure that teams do not gain a competitive advantage by delaying matches, delaying the start or conclusion of the season, or a team playing significantly more, or less, matches than other teams in the Division by key dates. After the amended draft fixtures have been returned to VE National Office, no other changes will be allowed except under very exceptional circumstances.

During the Season

- i. All matches must be played on the date, at the time and at the venue specified in the National Volleyball Competitions Handbook fixture lists, and not any other publication. If there is an error in the handbook or a fixture has been agreed to be changed by the Competition Commission then the correct details will be updated onto the NVL page of the website.
- ii. Where a club has two or more teams in the same NVL Division, the Competitions Commission reserves the right to schedule both fixtures between the teams as early in the season as possible.
- iii. Only under very exceptional circumstances, fixtures may be rearranged with prior consent of the appropriate Commissioner and the opposition. Requests for rearrangement must be made to the Divisional Commissioner at least 21 days prior to the original fixture date. Consideration of requests with less than 21 days notice will only be considered in the most extreme circumstances. The National Office must be kept informed of the changes. *Requests to re-arrange a fixture due to holiday arrangements is not considered to be a very exceptional circumstance.*
- iv. Where a team has 2 or more players involved in international competition, application may be made to the Competitions Commission for re-arrangement. Application must be made as soon as any conflict is known and in any event no later than 21 days prior to a match. It is stressed that this re-arrangement is **discretionary**. This provision does not apply to International Beach fixtures.
- v. A re-arrangement will only be approved when a fully justifiable reason is provided, and a new date has been arranged and agreed by the teams involved. Where teams cannot agree a new date then the appropriate Commissioner will specify a date on which the rearranged match will be played, or the original date will stand.
- vi. Where a fixture is postponed due to exceptional circumstances beyond the control of the teams, then any additional costs incurred in restaging the fixture shall be equally shared between the teams i.e. Sports Hall Costs, Referees and actual Travel costs.
- vii. Where match Referees were appointed by VE, and the date, time or venue is changed, the original home team becomes responsible for notifying those Referees and the NVL Referee Commissioner of the change and for appointing suitable replacement Referees, if necessary. Such changes to date, time or venue must be approved in writing by the appropriate Divisional Commissioner. *Normal Match Confirmation procedures will then apply.*
- viii. Under no circumstances (other than with prior consent of the Competitions Commission) can fixtures be played after the close of the NVL season, the date of which is published as part of the VE calendar. The NVL end of season date is the 15th April 2012.

Section C. Registration

Regulation C 1. Players

- i. All teams must register a minimum of 8 players by the 1st August before the start of the season. A valid registration requires a completed NVL registration card, with photo attached and the required registration fee complete with player signature. Failure to adhere to the deadline will result in a £25 administration charge.
- ii. It is the responsibility of the team or club registering a player to ensure the eligibility of the player to be registered. Players who are subject to transfer requirements must be correctly transferred. Player registration information for the previous seasons is available on the VE website and from the VE National Office.
- iii. Clubs with more than one team may delay allocating their players to a specific team until a week before their Club's first match, informing the National Office which team a player will play for, but the players must all be registered by 1st August. Until the required allocation is made, all players will be deemed to be registered with the lower/lowest team.
- iv. Players cannot be registered after 1st February during the season, except with the express approval of the Divisional Commissioner. (This will only be permitted in emergencies to enable games to take place e.g. where less than six registered players are medically fit to play, and evidence submitted). The emergency registered player will be eligible to play for the team for the remainder of the season, but will **not** be able to play up for another team.
- v. In any season, no player may play for more than one Club in the same competition unless they are officially transferred. Except under very exceptional circumstances a player may only transfer once during any NVL season. No player may play for different teams in a cup competition, under any circumstances. Where Clubs have two or more teams in the same competition, a player will become 'Cup tied' to the team they played their first cup match with, regardless of transfers and the playing up regulation. Transfer regulations apply to movement of players between different teams within the same Club.
- vi. A junior player (Under 18 on 1 September of the current season) playing in a junior competition may also play for their Club in a senior competition.

Regulation C 2. Technical Members of the team

- i. Any other personnel requiring to sit on the team bench under FIVB International Rule 4 must be registered with the VE National Office.
- ii. Technical and professional personnel from one Club are permitted to form the Authorised Bench Personnel of another Club, providing they are in possession of an Authorised Bench Personnel Licence for the team/club they are to assist, which must be presented to the Scorer. Any Bench Personnel that is assisting at another Club must have written permission of their original Club.
- iii. Coaches and Authorised Bench Personnel require one licence per team they wish to assist. Only a qualified and registered Coach with VE will be able to undertake the role of Head Coach during a match.
- iv. Should a qualified and registered Coach with VE not be available at the match then the team captain shall assume the role. Any other Authorised Bench Personnel may act only as an Assistant Coach, with the associated restrictions and limitations of duties.
- v. Registered players who wish to assist another team/club as Authorised Bench Personnel shall be required to hold a separate Authorised Bench Personnel card for the team(s) they will be assisting, and this must be presented to the Scorer.
- vi. All Bench Personnel must register with VE and submit a photo when registering.

Regulation C 3. Transfers (See Appendix A)

- i. Subject to the provisions below, players may transfer between clubs prior to **1st February** each season. Only in exceptional circumstances will a player be allowed to transfer more than once during the NVL/KO Cup playing season. The NVL season shall run from 01 September to 31 August each year. Players

who are playing up, and reach eleven sets, or more, in a match are deemed to be automatically transferred to the higher team. It is the responsibility of the club to keep account of the number of sets each player plays up. This will also apply if this occurs after 1st February, and will be an exception to the transfer deadline.

- ii. Where a Club has more than two teams playing in the NVL the player will be automatically transferred to the team for which they have played up most for.
- iii. If a team or Club withdraw from the NVL, its players are still deemed to belong to that Club. Therefore, they need to transfer before being permitted to play for another club. This is to protect clubs and their assets.
- iv. Unless under contract, a player is deemed to become a free agent if they have not played in the NVL in the preceding two seasons, and have no documented indebtedness to a previous NVL Club. Teams are strongly advised to consult the available player registration information available on the VE website or held in the VE National Office to confirm the status of a player.

Clubs registering new players should always be aware of the possibility of the need to formally transfer, and should take the following steps:

- a) Establish from the player if they have ever been to any NVL Club in the past. They may not have played, but could have registered, or simply been for training, and may have forgotten to return items.
- b) If they have been at previous NVL Club(s), which is still in existence contact the Club and obtain confirmation that they are in good standing i.e. they do not owe the Club anything, and are able to register for the new Club.
- c) If they have been to previous NVL Club(s), which are not in existence consult the available previous NVL registration data on the VE website, and contact the Competitions Officer to clarify that no indebtedness or impediment has been lodged with the VE National Office.

Clubs playing ineligible players will be considered for disciplinary action. Clubs are advised to ensure they take all reasonable steps, as above, to ensure the eligibility of players being registered.

Players found to have documented indebtedness to previous NVL Club(s), who seek current NVL registration, and who may not have provided the new Club with all material information may be liable to suspension from playing until the matter is resolved.

- iv. Transfers will **not** be allowed if any of the following circumstances apply:
 - (1) The player is under valid contract to the current club unless that contract is terminated by mutual consent. (See CONTRACTS Appendix B)
 - (2) The player has not discharged any documented indebtedness to the current club, e.g. subscription arrears, kit etc. Teams are advised to ensure that players are made fully aware of their commitments and fees due. These should be detailed in writing and signed by the player wherever possible to avoid any confusion or subsequent doubt arising.
 - (3) The current club would be left with less than 8 available registered players during the N.V.L. / K.O. Cup playing season.
- v. A Club having 2 or more teams competing in the NVL shall be entitled to transfer player(s) between teams. Players transferred to the lower team within a Club after the start of the season cannot use the playing up regulation.
- vi. Any player wishing to leave their Club in order to take up a different post at another Club (i.e. Coach etc.), may do so only with the agreement of the Club holding their registration, and abide by the transfer provisions. Disputes will be referred to Competitions Commission for arbitration

- iv. Women are ineligible to play in Men's competitions and vice-versa.
- v. The Rules of the Game that will apply to all competitions will be those currently issued by the FIVB. In the event of a Regulation change being required in any competition, the Competitions Commission must first give agreement.
- vi. Except in exceptional circumstances, and with the express approval of the Referee Commission, the Referees must hold recognised qualifications and be registered with VE.

Note. Referees who hold referee qualifications from other countries may become 'VE recognised' after applying to Referee Commission of VE.

Regulation E 2. The schedule

- i. The times listed in the Handbook shall specify the start of the official warm up period, and the match start time. The official warm up period shall be 30 minutes before the match start time. The scoresheet shall record the actual start time of the match i.e. the first service.
- ii. Triangular Match Schedule.
 - (1) The following will apply to matches that are headed accordingly in the match schedule:
 - (2) A v B in accordance with schedule e.g. 12.00 warm up, 12.30 match start
 - (3) B v C ready for warm up to commence no later than 1 hour after the first match advertised start time, e.g. 1.30 warm up, 2.00 match start.
 - (4) A v C ready for warm up to commence no later than 2 hours after the first match scheduled start time, e.g. 2.30 warm up, 3.00 match start.

Note: As the home team alone is responsible for the venue and equipment, venue changes, double bookings, equipment failure and start time changes will not be considered to be outside the control of the team.

Regulation E 3. Arrival of teams

- i. It is advised that a team allows an hour contingency plan whether travelling by public or own transport, with an arrival time of at least 30 minutes before the warm-up is due to start. Should a team not be able to fulfil its fixture, then a member of the team will need to contact the opposition as soon as possible, utilising numbers in Handbook for Secretary, Coach, other personnel and venue as required. Home teams should then advise the referees, VE National Office and Divisional Commissioner immediately. Should a fixture not be played then the Commission shall consider the available evidence and rule as to whether the match should be replayed, forfeited, declared null and void and any sanctions applicable.
- ii. Where a problem arises on match day or on the way to the match, the team must make every effort to contact the opposition and Divisional Commissioner to explain and resolve the problem.
- iii. Where a team is delayed by factors that are wholly out of a team's control (e.g. bad weather on the day) and can be backed up by professional and independent reports of confirmation (e.g. local weather centre, Police, Motoring organisation) indicating driving conditions and advice, this can be considered by the Competitions Commission as an extenuating circumstance. However, every attempt must be made to travel and play matches as scheduled. Additional travel time requirements would not be a reason not to play, and teams cannot "postpone" matches without the approval of the relevant Commissioner. Delays such as vehicle breakdowns (unless by public transport) are not considered as factors outside of a teams control. Teams are expected to inform the Divisional Commissioner, the home team and the Referees of the delay as soon as

possible.

Regulation E 4. Late arrival

Providing the court is available, and one team is ready to commence play

- i. Any team failing to appear on court, ready to commence play, within 20 minutes of the published start time shall forfeit the first set. The set shall be lost 25-0. The time available up to the 20 minutes may be available for warm up subject to agreement from the team already present and ready to play (who will have already warmed up for up to 30 minutes).
- ii. The second set shall commence 20 minutes later; i.e. 40 minutes after the published start time. A team arriving between the start times shall be able to use the available time for warm up. If a team is not on court ready to play 40 minutes after the published start time, then they shall lose the second set 25-0.
- iii. The third set shall commence 20 minutes later; i.e. 60 minutes after the published start time. A team not on court ready to play at that time shall lose the third set 25-0, and thus loses the match 3-0.
- iv. The defaulting team may forfeit the match, be fined and lose league points as a consequence.
- v. The time should be taken from the referees if there is a dispute between teams over the exact time.

Note: If a team arrives (ready to play) 19 minutes after the official match start time they are still entitled to play the first set. If the team arrives (ready to play) 20 minutes after the official match time that team loses the first set 25-0. The late team could use the following 19 minutes as warm-up before starting the second set as long as play commences within the 40 minutes of the match start time.

Regulation E 5. The Players

- i. Only players who are correctly registered with VE may play in competitions. A player is not registered unless their registration fee together with **all** appropriate documents correctly completed are endorsed at the National Office prior to the match except as specified in Regulation E 5.iv.
- ii. Any missing player registration cards will need an explanation; 'cards with EVA' will **not** be accepted. Any player without a registration card at a match must have an email from Volleyball England (and present photographic identification e.g. driver's licence) to confirm registration.

Referees are not expected to prevent a player playing if the team believes him/her to be correctly registered, providing that the player's identity can be proven by suitable photographic identification (e.g. driver's licence). If such a player does play, this is at the team's own risk, since playing with an ineligible player will lead to forfeiting the match (see vii below).'

- iii. All players in a team, apart from the Libero(s), must wear a strip of identical colour and design with regulation size numbers on the front and back. The numbers 1-20 only may be used. The Libero(s) shall wear a different coloured, easily identifiable, numbered shirt. In all respects, kit must conform to VE Official Volleyball Rules requirements. Referees are empowered to prevent players from taking part in a match if they do not comply with this rule. If, however, the referee does allow the player to participate it should be indicated on the score sheet.
- iv. Teams may register players on the day of the game providing they are within the constraints of Regulation C 1.iv
 - (1) This shall be done by means of presenting a correctly completed registration card, including photograph affixed, the appropriate fee, and completed transfer certificate, if required, to the match Referees. A player will not be allowed to play unless all the above is produced. If satisfied with the completion of the card, the First Referee shall record the registration in the 'remarks' box of the scoresheet recording details of all items presented.
 - (2) The team registering the player shall forward the card by first class post at the conclusion of the game. The appropriate fee plus a £5.00 administration fee must accompany the registration. The match will be forfeited if the player is

- not registered (card & payment) within the stated time.
- (3) Confirmation that a player's registration card is with the VE National Office must be obtained if the authorised card has not been returned within 7 days of posting. Failure to obtain this confirmation will make this player ineligible to play until the completed documentation has been received.
 - (4) Teams registering players on the day of a game are making a clear and binding statement that the player is able to be registered. This means that the player involved is either an existing bona-fide member of the club, is a free agent under the terms of transfer regulations, or is being properly transferred. In the case of transfer, the transfer certificate should be presented to the First Referee at the match. A player who is subject to transfer must have a completed transfer certificate present to be able to register on the day. A player in breach of this regulation will be deemed ineligible and the team forfeits any matches the player is involved in and may be subject to disciplinary action. (Player information for the preceding 2 seasons is available on the VE website or from the National Office).
 - (5) In case of any doubt teams should contact their Divisional Commissioner and provide written details of the facts and obtain advice.
 - v. NVL Player registration cards accompanied by an NVL Team Sheet and Bench personnel cards are to be presented to the Scorer at least 30 minutes prior to the start of the match. Referees must check identity and validity of registration cards and note all irregularities on the scoresheet.
- vi. Any team found to have used ineligible players shall forfeit all matches in which such players have participated.
- vii. If a player is not physically present at the start of the match, when Referees check the identity of the players the following shall apply:
- (1) Notice of the expected late arrival shall be given to the First Referee before the match begins.
 - (2) A player or coach who arrives during the match may not take part in the set in progress; they may, however, be permitted to play in subsequent sets once their arrival has been properly recorded and their identity checked.
 - (3) If the expected player or coach does not arrive, this name should be deleted from the scoresheet.
- viii. Playing Up
- (1) A club, having two or more teams competing in the NVL, once having nominated the team to which each player belongs, shall be entitled to play a lower team player in that club's higher team for up to 10 sets during the current season (i.e. appearance in that set whether for 1 point or the whole set and if a Libero player, whether they enter the court or not) without the necessity of transfer. It is the Club's responsibility to notify both Referees and Scorer before the start of the match as to which players are involved. If a player is found to have played for the lower team after automatically being transferred up, then that player will be considered an unlawful player. The first referee is to record the appropriate sets on the player's card except where that player is a Junior – see (2) below. During the current season any player playing up who reaches eleven sets, or more, during a game will automatically be deemed to be transferred to the higher team. This will also apply to matches after 1 February.
 - (2) There is no restriction on the number of sets a junior player may play up. (A player is deemed a junior if they are under the age of 18 on September 1st of the current season)
 - (3) Note: 'Playing up' does not constitute a transfer, until eleven sets are reached. Cup-tie provisions apply in all KO Cups.
 - (4) A club having more than one team in the same division cannot use the playing up regulation. To change teams will require an official transfer.
 - (5) When a player is automatically transferred by the playing up regulation, they may no longer play up again for the remainder of the season.

Regulation E 6. Other team Officials

- i. At all VE matches, a team shall nominate a coach for the match. This can be either a coach, who must be registered with VE as a Coach, or a player member (of that team). Their name and registration number shall appear legibly on the scoresheet. Only a qualified and registered Coach with VE shall be able to be recorded as Coach on the scoresheet.
- ii. In the absence of a qualified and registered Coach then the team captain shall assume the role. Any other Authorised Bench Personnel will only be able to act as Assistant Coach, with the associated restrictions and limitations.

Regulation E 7. Match Officials

- i. Should only one of the appointed Referees arrive for the match, they will appoint a person to act as the second Referee. They will do this from any available persons based on qualification, registration and competence.
- ii. Should neither of the appointed Referees arrive the home team will provide both Referees for the match, and the match will be played. The responsibility for selection of Referees under these circumstances rests with the home team only. Again the most appropriate persons must be appointed, considering qualification, current registration, competence and experience. A full report of the events should be sent to the VE National Office and the result will be considered by the Competitions Commission, in the light of qualifications/experience of the Referees used. Should a rematch be decided upon, the expenses may be borne by VE where VE appointed the Referees or by the home team where the home team were responsible for appointing the Referees.
- iii. Where any qualified referee fails to appear at a match, then the home team shall within 7 days send a report to the Divisional Commissioner and the NVL Referee Commissioner. Where an appointed referee fails to appear for a match without prior notice, this should be recorded on the scoresheet. Where an appointed official withdraws from a fixture, after giving notice, it is the responsibility of the home team to re-appoint Referees, after consultation with Referee Commission.
- iv. The scorer must be available 30 minutes prior to the match start time and complete the whole match. The team lists must be fully completed by the time the captains are called for the toss (*at least 16 minutes before first service time*). The scorer must complete the scoresheet before it is presented to officials for signature at the end of the match.

Regulation F 1. Scoresheet and Match day protocol sheet, etc.

- i. Sending the top copy of the Scoresheet, Libero Control sheet (as necessary) and Match day protocol sheet to the National Office by first class post on the first working day after the match. In the event of late arrival of this copy at the National Office, the date of cancellation of the first class stamp will be used to see whether a team should be fined.

Note: This is required so that results can be passed onto the press etc., and so that league tables etc. may be kept up to date.

Section G. Penalties, Protests and Appeals

It is anticipated that teams will abide by both the letter and the spirit of these competition regulations, and of VE Official Volleyball Rules and that defeat will not be seen as an excuse for making a complaint.

Before making any decision Commission members must declare an interest in any matter that they are remotely associated with.

Regulation G 1. Penalties

- i. Penalties will be applied to all breaches of the regulations. Where not actually stipulated in the regulations, the penalty will be determined by the Commissioner for the event.

Regulation G 2. Administrative Disputes

Disputes relating to administrative matters and interpretation of competition regulations shall be the responsibility of the Competitions Commission.

- i. Disputes arise only where teams are unable to resolve difficulties amicably between themselves, and they are urged to make every endeavour to do so. It is intended that matches should be decided on the court of play. Therefore, in all but the most exceptional administrative cases, and unless a penalty is otherwise stipulated, any team found to have broken the regulations will be fined, and their match result may stand. However, teams must be aware that breaches of the Regulations may mean forfeiture of matches.
- ii. The Competitions Commission, however, has the right to deduct points, fine and suspend any team should the situation warrant it.

Regulation G 3. Technical Disputes

Those relating to the match itself under areas covered by the match Referees.

- i. If, prior to the start of a match, a dispute arises, this should be noted on the scoresheet by the Scorer (under the direction of first referee) in the 'remarks' section before the match commences. If no such entry is made, it is assumed that up to that point all events and conditions are satisfactory. The referee may also note at this point any breaches of competition regulations.

- ii. A party to a match wishing to make a protest to the VE National Office must also copy their protest to their opponents and the referees, within five working days of the match, so that they may give their account.
- iii. Any protest upheld against an individual sanction will only be applied to the disciplinary outcome and will not affect the result of the match.
- iv. When considering the outcome of any dispute it should be remembered that the sanction could be increased rather than reduced.
- v. Only disputes regarding the technical application of any sanction will be considered. This will not include yellow cards.

Regulation G 6. Appeals

- i. On filing an appeal with the VE National Office against the decision of a Commissioner, a copy of the appeal shall be sent to any other affected party at the time of submission. Section M. Minimum Operating Standards

Minimum Operating Standards are detailed below to work towards driving up the standards of delivery of the National League. The aim of the MOS are to increase the presentation of matches, increase participant satisfaction and create an aspirational pathway through the leagues.

Accreditation

All current NVL teams must have completed at least Sideout accreditation by end of 2011-12 season (where a club has a junior section Volley1 is preferred).

All new entrants must register to complete accreditation by end of their first season.

If a club loses its accreditation status it must be re-completed within one year.

More information on what this entails is available from the VE Club Development Officer.

National Technical Officials

VE will endeavour to appoint all line judges & scorers to Super 8 matches.

From 2011-12 Division 1 teams will be required to use "recognized" scorers and a minimum of two "recognized" Line Judges per match.

From 2012-13 Division 2 & 3 teams will be required to use "recognized" scorers and a minimum of two "recognized" Line Judges per match.

VE are looking for a volunteer for each division to act as a Match Report Coordinator. This doesn't have to be a player or coach, just a willing volunteer. These volunteers would receive free player registration, 2 free tickets to the National Cup Finals and a free ticket to the Annual Awards Evening.

Section N. Appendices

Appendix A - PROCEDURE FOR PLAYER TRANSFERS

1. Volleyball England will supply the form on request to a team/club secretary or registered player.
2. The new club will sign the Transfer Certificate and relevant sections of the form, and the player will also sign the form indicating consent to transfer.
3. The player can obtain their release from their existing club, prior to approaching the new club
4. The signed form is then sent to the VE National Office.
5. If the Release section has not been completed, the VE National Office will forward to the releasing club, on receipt.
6. The releasing club has 7 days from dispatch of the form by the National Office to sign and forward the completed form to the VE Office. The date will be verified by postmark of the envelope received at the VE Office. Failure to sign and return the form within 7 days without proper notification to the Competitions Commission or reasons for objection will result in a fine of £20.00 and thereafter, such penalty as the Competitions Commission may decide. Failure to sign and return the form and/or failure to give proper notification will result in the player being transferred irrespective of the lack of consent.
7. The releasing club will then have a further 7 days to produce written evidence to support their refusal to release.
8. There will be a £15.00 transfer fee for administration work involved.
9. The releasing club must return National League Player Card to the office with the transfer form.
10. Releasing clubs should refer to Regulation C 3 regarding reasons for objecting to the proposed transfer.

NOTES:

The Competitions Commission is empowered to approve transfers, provided that the documentation is complete and in accordance with the above.

The VE National Office will have an initial request for transfer and within seven days, either a completed form of agreement by the releasing club or notification as to why the transfer is being objected to. Should neither of these be presented within a further five days then the transfer will be deemed to have been completed. The onus is on the club holding the player registration to advise of any reason why the transfer cannot be completed as requested.

Once the VE National Office has obtained the written agreement of all parties involved, or in the absence of documentation within specified timescales, the transfer will be approved. A current club refusing to release a player MUST provide proof of indebtedness or contract within five days of receipt of form. In the event of dispute the Transfer and Contract Registration Sub Committee of the Competitions Commission will decide.

Such relief shall only be granted in circumstances where there has been a lack of proper commitment from the club in fulfilling its obligations under the terms of contract.

Appendix B – Pre Match Protocol

	The total warm-up will last for 30 minutes. <i>Prior to the start of the 30 minutes</i> the <i>Home Team</i> prepares the court (See NVL Regulation D 1) and erects the posts and net. NOTE: The preparation of the court and the correct erection of the net is <i>not</i> the responsibility of the referees; they are only responsible for checking the facility and equipment. The NVL warm-up protocol is as follows:	
a)	- 45 mins	Referees courtside and in uniform.
b)	- 30 mins	Net ready for initial height check by Referees.
c)	- 30 mins	Scorer to be present. Team and Referee registration cards submitted to the scorer. Scorer commences scoresheet.
		Home team provides the match balls. First Referee checks match balls conform to the rules and are at the correct pressure.
d)	- 16 mins	First referee calls team captains to the scorer's table and checks whether captains agree for their teams to share the net warm-up, or whether one team prefers separate warm-ups. (Rule 7.1.3)
		NOTE: (i) A captain still has the right to ask for separate warm-ups up to the time of the whistle to begin the warm-up. (ii) If it has not already been established teams should confirm whether they will be using a Libero and, if so, whether the Libero is likely to replace the team captain. In the latter case, it is helpful if referees are informed who is likely to be the game captain in such situations.
		The toss is taken in the presence of the two <i>team captains</i> . Each captain will usually be allocated a side of the coin.
		After the toss, team captains go to the scorer's table to sign the scoresheet. The scorer is informed of the result of the toss.
e)	- 15 mins	Both coaches check and sign the scoresheet <i>If they have not already done so, all players change into <u>full</u> playing kit prior to the net warm-up.</i>
f)	- 12 mins	Begin official net warm up: this often takes the format of 4 minutes through position 4, then 4 minutes through position 2, then 2 minutes serving – but this can be varied, if both teams agree.
		(If one team chooses to warm up separately then the serving team will have the court for the first 5 minutes. The receiving team should remain at their bench NOTE They are not allowed to use balls or any part of the free zone for warming up.
		Coaches submit line up sheets for the first set to the second referee or scorer. <i>The line up sheet</i> must have the <i>name of the team</i> and the <i>set number</i> and must be <i>signed by the coach</i> , not the assistant coach. <i>It is no longer obligatory to include the Libero on the line up sheet for the first set.</i> The 'Libero' is only excluded from the match if he/she is not named in the space provided on the scoresheet. Second referee ensures that the scorer has both team line-up sheets. Scorer must ensure each team does not see the opposition's line-up sheet or the line-up recorded on the scoresheet.
g)	- 2 mins	First referee whistles to signify the end of the warm-up. Referees ensure all is in order and ready for commencement of play. Line judges go to their positions.
h)	- 1 min	First referee goes to the stand. Second referee stands at the post on their side of the court. The first referee calls teams to line up on their baseline, then onto the court. Second referee checks each team's line up. Libero may not enter the court until his/her team line up has been checked.
i)	0 min	Start match
