1. AIMS OF THE TOUR

The Volleyball England Beach Tour (also referred to as “VEBT” or “Tour”) has been established by Volleyball England (“VE”) with the following goals:

- to provide top level national competition for England's elite and developing players;
- to showcase beach volleyball to audiences across England;
- to attract new players to the sport and encourage them to develop their skills;
- to provide an important stage in the progression of athletes to ‘higher level’ tours such as the European and World Tours;
- to engage new, existing and previous tournament promoters across England;
- to provide exposure and marketing opportunities for the sport’s commercial partners;
- to establish a platform for the implementation of the longer-term objectives of the VEBT and beach volleyball in general – including expansion to new geographical areas and the development of more separate competition tiers to suit the abilities and skill levels of all players.

The purpose of this Players’ Handbook and the Code of Conduct is to:

- guarantee the integrity of beach volleyball and the VEBT;
- ensure that the interests of all players, spectators, promoters, officials and commercial partners are afforded maximum levels of protection; and
- provide all involved parties with the opportunity to reap the benefits of a successful Tour.

5. RULES AND REGULATIONS

- 5.1 All VEBT players agree to abide by the VEBT Players' Handbook, the VEBT Code of Conduct (see Appendix C) and, where applicable, individual tournament rules and regulations.
- 5.2 Except where specifically excluded or amended by this Players' Handbook, the VEBT Regulations or at the Technical Meeting preceding an event, all playing rules will be as per the FIVB Beach Volleyball Official Rules (available at www.fivb.org/EN/beachvolleyball/Rules/rules.htm).

6. DISPUTE RESOLUTION

6.1 Technical Committee

At all VEBT events, the Technical Committee will rule on all disputes or protests arising during the tournament which are not strictly related to play. At each tournament the Technical Committee will consist of the Event Manager and the Chief Referee.

For all matters, protests or disputes that *are* strictly related to play, the event's Chief Referee's decision will be final.

6.2 VEBT Judicial Panel

The VEBT Judicial Panel will rule upon any disputes or protests arising *after* the conclusion of an event and will act as an avenue of appeal on disputes and protests arising during an event.

7. PLAYER ELIGIBILITY

To be eligible for entry into a VEBT event, players must meet the following conditions:

- 7.1 Players living in England must be registered with Volleyball England as beach volleyball players. Registration takes place via the Volleyball England website (see "Player Registration" in the "Beach" section of www.volleyballengland.org).
- 7.2 Players wishing to play in the VEBT and originate from a European or International country other than England must seek approval from their respective National/International federations to play on the tour. Written confirmation must be shown to Volleyball England.

8. TOURNAMENT ENTRY

- 8.1 Entry to all tournaments, including payment of the tournament entry fee, must be completed via the "Beach" section of the Volleyball England website (www.volleyballengland.org).

8.2 Entry Deadlines and Fees

The entry deadlines and fees for all tournaments shall be posted on the Volleyball England website. The male and female entry lists do not always reflect the final entry list. On some occasions pairs will be added to the entry lists after the deadline (e.g technical errors that may have hindered registration prior to the deadline). Late entries will be at the discretion of Volleyball England. Subsequently, we advise that travel and accommodation is booked after confirmation emails for respective events have been distributed. Any bookings made prior to this are done so at your own risk.

8.3 Entry

There will be 24 teams per gender at each event. This will consist of the top 20 seeded teams entered and the 4 wildcards. All teams who do not make the top 20 will automatically be put forward for a wildcard position. All other entries received after the limit is reached shall be held in a waiting list. A qualifier may be run upon agreement with Volleyball England. The number of teams entered at each event is subject to change at the discretion of Volleyball England.

9. WITHDRAWALS/CHANGES TO PLAYING PARTNERS

- 9.1 If a team withdraws from a tournament at any time after the applicable entry deadline has lapsed, that team shall forfeit its entire entry fee. A refund may be agreed to at the discretion of the National Office, however a 10% administration charge will be applied to the refund transaction.
- 9.2 If a team's late entry is accepted and that team subsequently withdraws, it shall forfeit its entire entry fee. A refund may be agreed to at the discretion of the National Office, however a 10% administration charge will be applied to the refund transaction.
- 9.3 A team that withdraws from a tournament before the entry deadline lapses shall be entitled to a refund of its entry fee less a 10% administration charge
- 9.4 A team will only be permitted to change playing partner after entry due to medical grounds. A medical certificate from a Doctor must be presented to Volleyball England to approve any changes. Any team arriving at an event with a non-

approved player will not be permitted to play and the team will be withdrawn from the competition. (Entry fees will not be returned) Volleyball England or the Event Manager will make all necessary rulings on player changes. Player changes may impact overall rankings of the pair and adjustments may be made.

10. WILDCARDS

10.1 The top 20 ranked pairs for each event will automatically qualify. The remaining entrants are automatically entered for a wildcard position and will be allocated a space if available accordingly. Wildcards may be requested to provide details of their results and playing level to Volleyball England to assist in the selection process. The Volleyball England Wildcard Panel's decision will be final. There will be no right to appeal.

10.1.1 Wildcards will be allocated based on the information provided and/or any other rationale deemed appropriate or relevant by the panel. Allocation is not exclusively based on playing level, ability or experience

10.2 A maximum of 4 wildcards may be issued per gender at each event.

10.3 In exceptional circumstances Volleyball England may consider awarding more wildcards at an event.

10.4 Unsuccessful wildcard applicants will be entitled to a full refund of their entry fee. Any other associated costs will not be refunded.

11. VEBT FINALS

11.1 Eligibility

For a team to be eligible to enter and compete in the VEBT Finals, it must consist of players who have played a minimum of 1 VEBT tournament during the season.

11.2 Entry Limits

Entry to the VEBT Finals will be limited to the top ranked teams in the VEBT Champions Race based on Ranking Points and not based on Player Ratings. The number of teams in the VEBT Finals shall be a maximum of 12 per gender. A second division event will be organised to accommodate entries that fall outside the top 12 rankings. The number of entries in the second division will be at the discretion of Volleyball England.

11.3 Wildcards and Seeding

11.3.1 Top 9 teams and 3 wildcards/reserved entries will be issued for the VEBT Finals for each gender. These Wildcards may be awarded to teams that do not meet the VEBT Finals eligibility criteria.

11.3.2 The basis of seeding for this tournament will be as for all other events (see Tournament Seeding Policy below).

12. VENUES

- 12.1 In all instances, the tournament site will be under the control of the Event Manager and, where applicable, a representative of the host venue. Players and their associated coaches, team officials and spectators are expected to treat each venue with respect and in accordance with any host venue guidelines or regulations that may be in place.
- 12.2 If deemed necessary and appropriate, the Technical Committee may impose sanctions against players for any contraventions of host venue guidelines or regulations by players or their associated coaches, team officials or spectators.
- 12.3 While every effort is made to ensure the suitability of each playing venue, they are public beaches so Volleyball England cannot be held responsible for an injury caused as a result of any type of debris on the playing surface.

13. REGISTRATION AND THE TECHNICAL MEETING

- 13.1 All VEBT events will be preceded by a Technical Meeting to be held on the morning of the first day of the event, unless otherwise advertised.
- 13.2 All teams will be required to “register” upon arrival on the morning of the first day of the event and prior to the Technical Meeting.
- 13.3 All players must be in attendance at the Technical Meeting.
- 13.4 In cases where exceptional circumstances prevent a team from registering or a player from attending the Technical Meeting, it will be the team’s or the player’s responsibility to notify the Tournament Director in advance of the inability to register or attend and to demonstrate the existence of such exceptional circumstances.
- 13.5 The Technical Committee may impose sanctions for teams failing to register or for players failing to attend the Technical Meeting if the requirements of paragraph 13.4 are not met.

14. COMPETITION FORMAT

The draw format will be advised at the Technical Meeting prior to each tournament. Generally, events will be played under a double elimination format, although pool play may be used in some instances.

14.1 Double Elimination

- 14.1.1 All teams commence the competition in the “winners’ bracket” (WB) where they remain until registering a loss.
- 14.1.2 A team losing a match in the WB will move into the “contenders’ bracket” (CB) where they remain until registering a second loss, at which time they are eliminated from the competition.
- 14.1.3 This format continues until 4 teams remain in the competition: 2 teams in each of the WB and CB. At this point, teams will compete in the semi-finals where each WB team will play a CB team. Winners of these matches will progress to the final.

- 14.1.4 Due to the nature of the elimination process, multiple teams are eliminated from the competition at the same time. These teams will be awarded the same final ranking for the event.

14.2 Pool Play

- 14.2.1 Teams are divided into pools of 4 according to their seeding.
- 14.2.2 Each team plays one match against each of the other teams in the pool (total of 3 matches).
- 14.2.3 Within each pool teams are ranked by:
- (i) Matches won
 - (ii) Sets for / against ratio
 - (iii) Points for / against ratio
 - (iv) Winner of the match between otherwise equally ranked teams.
- 14.2.4 The highest ranked team(s) from each pool advance to the next phase of the tournament, which may be played in double elimination, single elimination or pool play format.
- 14.2.5 The final four teams will compete in the semi finals. Winners of these matches will progress to the gold medal match.

15. MATCH TIMING AND SCORING

15.1 Intervals Between Matches

- 15.1.1 A maximum 5-minute interval between matches, unless otherwise indicated, is to be strictly enforced.
- 15.1.2 For teams required to complete back-to-back games or teams playing straight after refereeing, a minimum 10-minute interval will be permitted. A maximum period will be determined by the Event Manager and applied where required.

15.2 Variation of Match Format

- 15.2.1 In conjunction with Volleyball England, the Event Manager may decide to use a reduced scoring format in some or all matches of a tournament.
- 15.2.2 At the discretion of the Event Manager, matches may be played without the inclusion of a technical time-out.
- 15.2.3 Any variations to the standard match format as provided for in the FIVB Beach Volleyball Official Rules will be announced at the Technical Meeting.

15.3 Alterations to Match or Tournament Format during an Event

- 15.3.1 Where necessary, the Technical Committee may alter the match format or the tournament format during an event in order to ensure player safety and/or the completion of the event.
- 15.3.2 Any match or tournament format changes will be announced immediately upon such decision being made.
- 15.3.3 Any matches that are still incomplete at the time of such decision being announced will be played under the originally advertised match and tournament format.
- 15.3.4 If 50% or less of matches in that round are completed, all remaining matches in that round will be completed according to the adjusted format.
- 15.3.5 If more than 50% of matches in that round are completed, all remaining matches in that round will be completed according to the originally advertised format.

15.4 Playing Under Lights

- 15.4.1 Where lights are unavailable, no matches will commence after 30 minutes prior to sunset time unless directed by the Tournament Director.
- 15.4.2 Where suitable court lighting is available, it may be used to assist in the completion of the competition draw.

15.5 Light Disputes

In the event that the level of lighting may interfere with the completion of a match, the following steps will be taken:

- 15.5.1 The Chief Referee and Technical Supervisor/Event Director will be called to review the situation and may choose to either instruct the match to continue or reschedule the match.
- 15.5.2 In the case of the match being rescheduled, it will commence at the next suitable match time prior to the next advertised match for the tournament.
- 15.5.3 If the decision to reschedule the match is made during an incomplete set or at the completion of a set, then FIVB regulations will apply, specifically:
 - (i) Should one or several interruptions occur not exceeding 4 hours in total, the match is resumed with the score acquired, regardless of whether it continues on the same court or another court. The sets already played will keep their scores.
 - (ii) Should one or several interruptions occur, exceeding 4 hours in total, the whole match shall be replayed.

15.6 SideOut Live Scoring App

15.6.1 The use of the SideOut Live Scoring App is compulsory across all events of the Tour. Players will be expected to use their own devices to access the app however there will be some spare devices available at each event if required. Charging points will also be available.

16. INCOMPLETE OR CANCELLED EVENTS

- 16.1 The Technical Committee has the right to stop or cancel play, as it deems necessary for player safety.
- 16.2 If a tournament is not started or the first round is incomplete and the event cannot be resumed with adequate time to complete the event, the tournament will be declared "cancelled".
- 16.3 Where possible a "cancelled" tournament will be rescheduled to another date. Teams will be notified as soon as possible where a cancellation occurs.
- 16.4 Teams may need to re-enter for any rescheduled tournaments. Those teams that do not re-enter will have their entry fee refunded.
- 16.5 If a tournament is "cancelled" after the first round but before all subsequent rounds are completed, then the number of rounds played will determine the ratings, points and prize money made available. These will be allocated in proportion to the number of completed rounds. For example, if half the scheduled matches are played before the tournament is "cancelled" then 50% of ratings, points and prize money will be made available.
- 16.6 In the event of a "cancelled" tournament, Volleyball England will not be responsible for any loss incurred by a player due to the cancellation.

17. OFFICIAL COMPETITION BALL

The ball to be used at all tournaments is the Mikasa VLS 300.

18. OFFICIAL COMPETITION UNIFORMS

- 18.1 All players must wear the official competition uniform at all times whilst on any competition court. This includes the warm-up period and the post-tournament awards ceremony.
- 18.2 Players shall not in any way modify the official players' uniform.
- 18.3 Players may wear cold weather kit with the permission of the Technical Supervisor/Event Director and Chief Referee. Both players must wear matching cold weather kit. The only exception is where such kit is worn by one player for medical reasons. The Event Manager reserves the right to request a medical report as evidence.
- 18.4 Matching shorts/bikini bottoms are compulsory for all teams competing in the VEBT. Teams' shorts and bikini bottoms shall be presented upon registration for approval by the Event Manager or his/her designated representative. If a team's shorts or

bikini bottoms are not approved, the team shall not be permitted to participate until this is rectified.

18.5 Teams are not permitted to wear sponsored uniform at any stage of the competition without prior authorization from Volleyball England.

19. PLAYER RATINGS

19.1 The Player Ratings are designed to rate individual players according to their ability. This is the primary basis for seeding in tournaments.

19.2 Player Ratings are earned according to final placement in tournaments and remain valid for a player for 12 months. When this period of time has lapsed, the player's rating will become the next highest rating that he or she has earned in the latest 12 months.

19.3 If a player does not compete during the 12 month rating period, the player will be downgraded to the next lower Player Rating level.

19.4 Player Ratings will be awarded according to the Player Rating Schedule (see Appendix A).

20. RANKING POINTS

20.1 The Ranking Points are intended to support an overall ranking of beach volleyball players in England.

20.2 Ranking Points can be earned at all VEBT tournaments, certain VE licensed beach volleyball tournaments (pending provision of results to VE), and FIVB World Tour tournaments (see Appendix B)

20.3 Ranking Points will be awarded according to the Ranking Points Schedule (see Appendix B).

20.4 All teams / individuals eliminated at the same point in the tournament will be allocated the same points. For example, in a double elimination draw 7th & 8th are eliminated together so both teams will be allocated the points for 7th place.

20.5 The Ranking Points shall be applied against two ranking lists:

- i) VEBT Champions Race
- ii) Volleyball England National Ranking

21. VEBT CHAMPIONS RACE

21.1 Only Ranking Points earned in VEBT events apply to the VEBT Champions Race.

21.2 National Ranking Points are used in the VEBT Seeding Policy.

21.3 The VEBT Champions Race Points are used in determining qualification for entry into the VEBT Finals.

21.4 The VEBT Champions Race Points start from zero at the beginning of each season and accumulate at each event in which a player competes.

22. VOLLEYBALL ENGLAND NATIONAL RANKING

22.1 Points earned at VEBT tournaments, certain VE licensed beach volleyball tournaments (pending provision of results to VE), and FIVB World Tour tournaments apply to the Volleyball England National Ranking.

22.2 FIVB World Tour points have a multiplier of 6 applied to them to map those points to equivalent VEBT earned Ranking Points. This multiplier effectively correlates a tournament win on the VEBT to making the main draw in an FIVB Open.

22.3 The Volleyball England National Ranking is determined by Player Rating firstly (i.e. AAA, AA, A etc), then by Ranking Points.

22.4 The Volleyball England National Ranking is calculated on a rolling 12 month basis. The Points are not reset at the start of the season, but reflect every event from the last 365 days.

23. TOURNAMENT SEEDING POLICY

23.1 Firstly, seeding will be based on the combined Player Rating (i.e. AAA, AA etc) of the team members.

23.2 Secondly, teams with the same combined Player Rating will be seeded by the combined total of Ranking Points gained by team members during the current season.

23.3 Should two or more teams still remain tied they will be separated according to the lowest placing of a player in either team.

23.4 Teams receiving a wildcard may be seeded at the discretion of the **Tournament Director**, in consultation with Volleyball England.

Seeding Example

Player 1	Player Rating	Ranking Points	Player 2	Player Rating	Ranking Points	Combined Rating	Combined Points	Seeding
Smith	AAA	20	Stoklos	AA	20	AAAAA	40	1
Kiraly	AA	10	Steffes	AAA	20	AAAAA	30	2
Hovland	AA	40	Dodd	AA	30	AAAA	70	3

24. TOURNAMENT PRIZE MONEY AND TROPHY PRESENTATION

24.1 A minimum of £750 prize money which will be split equally between both genders. £250 for the winners (Men and women) and £125 for the 2nd placed teams (Men and Women).

24.2 All players from the top two ranked teams in each gender must attend the presentation ceremony at the conclusion of the event, where the approved player's uniform must be worn.

- 24.3 In cases where exceptional circumstances prevent a player or team from attending the presentation ceremony, it will be the team's or the player's responsibility to notify the Event Manager in advance of the inability to attend and to demonstrate the existence of such exceptional circumstances.
- 24.4 The Technical Committee shall impose sanctions for teams failing to attend the presentation ceremony if the requirements of paragraph 24.3 are not met. Sanctions may include, but are not limited to, the withholding of prize money, medals/trophies and any other prizes.

25. MATCH OFFICIATING

- 25.1 In all matches where tournament appointed referees are not supplied, teams will be expected to referee and second referee / score (i.e. do "duty").
- 25.2 In double elimination format, "loser-duty" will generally apply. This means that the team that lost the previous match on that court must referee the next match. In pool play format, "duty" teams will be pre-allocated.
- 25.3 Players doing "duty" shall be situated on opposite sides of the court (1st referee and 2nd referee), and shall both be standing.
- 25.4 In the case of tournament appointed referees being present, the "duty" team may still be expected to second referee and/or score.

26. PLAYER OBLIGATIONS

By registering as a beach volleyball player with VE, all players agree to the following Player Obligations:

- 26.1 The player ensures that they are in good health to participate in beach volleyball competitions and hereby assumes total responsibility for any health problems that may occur.
- 26.2 The players undertake to take out their own insurances in relation to all and any matters arising from participation in the VEBT (except public liability insurance which is provided by Volleyball England for up to £5 million).

- 26.4 The player agrees to keep Volleyball England indemnified from any claims, actions, suits and proceedings whatsoever arising out of the actions or omissions of the player.
- 26.5 The player acknowledges that Volleyball England is not responsible for the safety of the player or his / her property during a tournament or at any other time.
- 26.6 The player acknowledges that nothing in this Player Handbook or the VEBT Regulations constitutes an agency or employer-employee relationship.
- 26.7 The player, team manager, team coach/es, team representative/s, parent/s or guardian/s hereby authorize/s and grants Volleyball England and its appointed agent/s the full right/s to use their name, voice, likeness, images and biographical

material for the purposes of publicising, promoting and advertising any sanctioned Volleyball England events, competitions or any other activity. Use/s will include marketing, filming, televising, broadcasting, web casting, internet streaming, online including social media and other related presentations or uses as described above in perpetuity in any territory. All parties as described above agree that all rights are granted without compensation and hereby waive/s any right to such compensation. Volleyball England will retain all rights and ownership of all material on any medium obtained by any method.

- 26.8 The player agrees that all rights granted under paragraph 27.7 above are granted without compensation and hereby waives any right to such compensation.
- 26.9 By registering as a VEBT player and entering a VEBT event, the player indicates that they have read, understood and agreed to the contents and terms and conditions of the VEBT Players' Handbook and the VEBT Code of Conduct (see Appendix C).
