JUST TURN UP AND PLAY

As part of the Sandwell Volleyball Festival 2015, there will be a specific area at King George Playing Fields dedicated to both young people and adults who would love to have a go at the sport!

There will be an area for those who may have no prior experience of the sport or for players who may have played in school or part of a club in the past and wish to have a recreational game for a bit of fun.

There will also be local sports officers on hand from partner organisations who can direct you to local clubs.

Led by Volleyball England and supported by local sports partners, qualified coaches will be on hand to offer advice and support or provide you with the opportunity to learn how to play and have fun at King George Playing Fields in Sandwell Valley throughout the weekend.
