

Job Title: Technical and Talent Director
Reference: VBE016
Salary: Competitive
Location: Loughborough
Closing Date: 09/08/2013
Interview Date: TBC

Volleyball England is the National Governing Body for all disciplines of Volleyball in England with its headquarters situated at SportPark, Loughborough University. Volleyball England is seeking to appoint a Technical and Talent Director who will be an integral member of the Senior Management Team.

Your job will include:

To drive the delivery of all aspects of the technical and talent elements of Volleyball England's Strategic Plan and achieve all stated outcomes.

Strategic Coordination – To lead the development and delivery of Volleyball England's role in relation to performance, talent, coaching, officiating, volunteering and facilities. To manage the interface between the composite technical parts of the sport, liaising directly with the FIVB, WOVD, CEV and WADA to ensure effective implementation of standards in England.

Talent Pathway Specifications – To liaise with key stakeholders to ensure effective pathways are managed for talented English able bodied and disability athletes including TASS and AASE programmes. Responsible for the management, implementation, evaluation and reporting on the Sport England funded talent programmes.

World Class Programme – To lead the delivery of the World Class Programme for Beach Volleyball in line with the Service Level Agreement with the British Volleyball Federation and UK Sport requirements.

We are looking for a candidate whose skills and experience include:

A thorough understanding and/or experience of the major external international and national structures and initiatives that impact on sports performance and or volleyball i.e. Sport England, UK Sport, Sports Coach UK, FIVB, CEV, WOVD, WADA etc.

A thorough understanding and significant experience in technical aspects of delivering quality sporting provision, including leadership, performance, equity, safeguarding, rules of the game, LTAD, equipment modifications and disability provision.

A full understanding of the UK Coaching Framework.

Significant proven experiences of the ability to plan, initiate and manage change; develop vision, match actions to strategy, monitor and evaluate progress and redirect future strategy/actions.

How to Apply:
