

Dear Coach/Manager/Secretary/Chair,

U16 & U18 National Volleyball Championships

Please find enclosed / attached details of the U16 & U18 National Championships for 2012-13. This competition is aimed at all levels with novice teams entering in the early rounds and last year's semi finalist teams seeded through to Round 2. The format for the competition will be as per previous years with teams competing in a knock out style format hosted by entrants until the 'Last 8s' are determined which will be hosted at the National Volleyball Centre, Kettering on 23rd-24th February 2013.

One of our biggest targets at Volleyball England is to expand the competition to involve more schools and clubs. It would be nice to see more teams enter the competition, hopefully some of them inspired by seeing the Great Britain teams compete at the Olympic and Paralympic Games. There is no better time than now to capitalise on the feel good factor created by the Olympic and Paralympic Games so if you know of any team who may be interested in taking part in the competition please forward them the details or let me know and I can send them entry details.

If you want to host one of the earlier rounds please indicate this on the form. If your club/school is involved in any other Volleyball England competitions we have endeavoured to minimise clashes though there are only so many weekends in the year. The Competitions Commission have once again stated clearly this year that the National League and Senior Cup take precedence. Therefore if you have clashes with matches we shall seek to rearrange the U16 or U18 pool where possible but please let us know in plenty of time.

We look forward to receiving your entries. If you have any questions please do not hesitate to contact me.

Best regards,

Jonathan Moore
