1 INTRODUCTION

Volleyball England is the brand name of the English Volleyball Association Limited (referred to in this Framework as the “Association”). The Association is recognised by FIVB, CEV, World ParaVolley, European ParaVolley Association, British Volleyball, UK Sport and Sport England as the National Governing Body for the sport and recreation of volleyball in all its disciplines, including without limitation indoor volleyball, beach volleyball and sitting volleyball in England, Isle of Man and the Channel Islands which territories are referred to as “England”. The Association is responsible for the development, promotion and delivery of the sport of volleyball, in all its disciplines, across England.

This Framework document forms part of the constitution of the Association, and supplements the Association’s Articles of Association (“Articles”). Defined terms in this Framework shall have the meaning set out in the Articles unless otherwise stated.

The Articles detail the categories of membership of the Association, the organisation of member meetings, (and voting at the same), the establishment of the board, appointment of directors, the Board’s power to delegate authority and other administrative arrangements.

This Framework builds upon the Articles by providing further, more operational or administrative details relating to:

- the benefits available to members of the Association;
- the roles, structure and administration of the Regional Associations and Area Associations, Sub-Groups, Committees and Working Groups;
- important policies that have application across the Association’s activities;
- the core sports technical rules; and
- the disciplinary regulations dealing with disputes and appeals with the sport or its administration.

The provisions of this Framework are binding on all Members (as defined in the Articles) of the Association, who are deemed to agree and accept the terms of this Framework on becoming Members. This Framework should be read in conjunction with the Articles. If there are any inconsistencies between this Framework and the Articles, the provisions of the Articles will prevail.

The Board have responsibility for drafting, amending and updating the Framework from time to time as it sees appropriate in light of the development of the Association and the sport of volleyball. Any updates to the Framework will be notified to the Members of the Association by its publication on the Association’s website. Any Framework updates will also be notified to Members on an annual basis at the Association's Annual General Meeting. Copies of the Framework will be available upon request from the Association's registered office as well as on the Association’s website at www.volleyballengland.org.
